ABOUT THE WINE

Song: "Espresso" (Sabrina Carpenter)

"Now he's thinkin' 'bout me every night, oh
Is it that sweet? I guess so
Say you can't sleep, baby, I know
That's that me, espresso
Move it up, down, left, right, oh
Switch it up like Nintendo
Say you can't sleep, baby, I know
That's that me, espresso
I can't relate to desperation
My 'give a f**ks' are on vacation
And I got this one boy
And he won't stop calling
When they act this way
I know I got 'em"

This is undeniably the I'm feeling myself song of the summer so of course it needed a wine that matches that rizzed up energy, and what else than this rosé that will leave you slack-jawed after the first sip. It's edgy, minerally, has a lively and energetic core and finishes with a surprising yet intriguing bite. It's giving Regina George and Mariah Carrey, "Why are you so obsessed with me?" vibes and the thing is it's not wrong. Drinking this instantly elevates your mood and your self confidence is bound to come out. Treat yourself and indulge yourself are the major themes here!

Zesty and minerally! Flavors of tart strawberry, wet rocks and white pepper buzz on your palate.
