## ABOUT THE WINE

Song: "A Bar Song (Topsy)" (Shaboozey)

"One, here comes the two to the three to the four  
Tell 'em bring another out, we need plenty more  
Two steppin' on the table, she don't need a dancefloor  
Oh my, good Lord  
Someone pour me up a double shot of whiskey  
They know me and Jack Daniels got a history  
There's a party downtown near Fifth Street  
Everybody at the bar gettin' tipsy  
Everybody at the bar gettin' tipsy  
Everybody at the bar gettin' tipsy"

Two steppin' and getting tipsy with friends, while times like this get rarer and rarer for us as we get more seasoned (not old!), sometimes it do be like that and when it do, you better believe we're going to make the most of it! This Cabernet Franc from Arnaud Lambert is not quite Jack Daniels, but it's bold and earthy at its core but still gives off, "I may be serious, but I'm still here to have fun!" vibes! With a bottle of this we could dance and have a good time all night long!

Slightly moody red: brooding and dark at first but with enough fun and funkiness on the palate to balance it out perfectly
